eDiscovery Executive
Chicago, IL

SUMMARY

Strategic food and wine guru who fell in love with tech while building a digital network out of a simple radio when enlisted in the military. I pursue and flourish in high-stress situations. My framework consists of being a highly motivated creative problem solver with a decorated background in leadership, teamwork and impeccable standards. Enthusiastic about my development in Relativity's Fellowship program.

EMPLOYMENT

Relativity Chicago, IL - August 2020 - Present:
Fellowship

- Virtually collaborating with three other fellows to deliver a webinar on Conceptual Analytics in the Relativity Software Platform.
- Pursuing the Relativity Adminstrative User certification.
- Achieved the Relativity Certified User certification by attending webinars of eDiscovery professionals and extensive sourcing of documentation for a month.
- Achieved the ACEDS eDiscovery Executive Certificate by utilizing documentation and social capital for a month.

DMK Restaurant Group Chicago, IL - May 2018 to May 2019:
Graphic Designer

- Applied visual design utilizing the restaurant group's products.
- Helped create marketing for the DMK Restaurant Group and Vornado Realty Trust (Owner of the Merchandise Mart).
- Ceated custom photography of Marshalls Landing's events and menu items for the marketing team.

Marshall's Landing Chicago, IL - June 2017 to March 2020:
Server

- Contributed in May of 2017 to opening the 12,000 square foot, 154 seat establishment in June of 2017.
- Assigned to handle all high caliber international and domestic clientele due to previous professional grooming at mk the restaurant.

mk the restaurant Chicago, IL - October 2012 to June 2017:
Server

- Developed a deep understanding of fine dining service and professionalism in hospitality.
- Utilized my expert skills and knowledge to sell one of the best farm to table menus and wine selections in the city of Chicago.

Carnivale Restaurant Chicago, IL - April 2008 to April 2010:
Pastry Cook

- Worked morning preparation and nighttime service in pastries.
- Helped create savory and pastry specials.

Illinois Army National Guard

33rd Infantry Brigade Combat Team HHC 1/178 Infantry
Chicago, IL - December 2010 to December 2016:

Fire Support Specialist Sergeant

MOS: 13Foxtrot - Forward Observer, United States Field Artillery.

- Elaborated my expertise with training on military software and technology.
- Responsible for the well-being, equipment and training of 5 to 25 soldiers.
- Organic asset to any forward operating element in the United States Military.
- Expertise in communications operation and maintenance.
- Expertise in small team tactical maneuvers, communication, and training.
- Field artillery, close air support, naval precision firing skills.

PROJECTS

CarPal letscarpal.com

- Helped build a socially focused, ridesharing, carpooling app. Utilized JavaScript, React, Redux, Axios, React-Router, Node.js, Express, JWT, MapBox, Jest.
- Worked with eight developers remotely. It was a 4 month build following Test Driven Development and agile principles.
 - The team planned release cycles based on user research, surveys, establishing user flow and creating wireframes.
 - Creator of the visual identity (UI/UX) of the application.
